**CHRIS CLARKE** is a popular author on, and teacher of, Science and Spirituality. He was a physicist at the University of Southampton, researching into Cosmology, Quantum Theory and the Physics of the Human Brain. Since then his activities have involved leading a circle dance group, contributing to international symposia on Science and Religion, teaching at Schumacher College, serving on the Council of GreenSpirit for many years and running creative workshops for a local group. His books include, 'Living in Connection: Theory and Practice of the New World View', 'Reality through the Looking Glass' and 'Ways of Knowing: Science and Mysticism Today' (multi-authored). **SANTOSHAN (STEPHEN WOLLASTON)** is one of the founders and the wisdom studies and creative adviser of The Gordon Higginson Fellowship. He has a creative background as a spiritual writer, graphic designer and musician, and is the author of several books on spiritual matters, including 'Realms of Wondrous Gifts, Psychic, Mediumistic and Miraculous Powers in the Great Wisdom Traditions', 'The House of Wisdom, Yoga Spirituality of the East and West' (co-authored with the yoga master Swami Dharmananda) and the highly popular 'Unleash your Spiritual Power and Grow' (co-authored with the medium Glyn Edwards). He holds a degree in Religious Studies and a Post Graduate Certificate in Religious Education from King's College London and studied Psychosynthesis Psychology. **IAN MOWLL** is the coordinator of GreenSpirit and contributes regularly to its popular journal. He has a passion for living and promoting the spiritual implications of 'the Universe Story' – the story from the Big Bang to the present day and its relevance for our current age and contemporary understanding of development, and has co-run projects in schools, a prison and a charity on this theme. He organises both large and small events throughout the UK, promoting Creation Centred Spirituality, and does what he describes as 'community storytelling', which profoundly draws attention the deeper dimensions of spiritual growth.
